By Erich Rauch

Karl F Haug Verlag GmbH Co, Germany, 1996. Paperback. Condition: New. Language: English . Brand New Book. Erich Rauch, MD, director of a large and successful health spa in Austria for many years and author of many widely-read books, offers practical advice from his long experience as a physician specializing in natural therapies. With his detoxifying, eliminating, and resistance-strengthening measures such as the Quick Treatment Series and other naturopathic procedures, most colds, flus and other infectious diseases can be overcome in a short time without complications. Properly applied, they prove superior to many modern medical drugs and do not generate a vicious cycle of undesired side-effects. His treatment suggestions are also low-cost, including hydrotherapy, fasting, herbal teas and homeopathic remedies.
