*The publication is straightforward in study better to fully grasp. It is definitely simplistic but excitement inside the 50 percent of your publication. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Amazon Publishing, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. 2014 (c)Desert Rose RWA(R) Golden Quill Award Winner, Contemporary Romance Nancy Herkness welcomes readers back to Sanctuary, West Virginia, where family loyalty leads to sparkling love, with the help of a whisper horse. When sheltered artist Julia Castillo flees her hometown, she has just one goal: to prove to her overbearing family once and for all that she can make it on her own. After she moves to Sanctuary, West Virginia, her horse paintings take the art world by storm. Yet Julia finds her courage tested as never before--by her love for a handsome country lawyer, by her bond with a dangerous black stallion, and by the secret she is so desperate to keep. Paul Taggart abandoned his high-powered legal career to return to Sanctuary, giving up his own dreams to care for his troubled brother. But the day he rescues Julia Castillo from the side of the highway, his staid, responsible life changes forever. Irresistibly drawn to the fiery but unsophisticated beauty, Paul will do anything to protect her--even sacrifice his own happiness to guarantee hers. Dramatic and emotional, Country Roads is a heartwarming tale of two people trying to balance the bonds of family with a passionate love of their own.
